James Kelly, who was asphyxiated by gas on Tuesday night at New Brunswick, N. J., and incorrectly reported dead on Wednesday night, died Thursday night. It is believed he is from Home, Pike county, Ky. He was a nephew of Dr. Clark, of No. 59 Georgetown street, Lexington, Ky.

—A project is under way to have the 63,000,000 people of the United States join in singing the "Star Spangled Banner" at a fixed hour on the Fourth of July next. The idea is to have President Harrison visit Philadelphia on that date, and, when the signal to begin singing is given by him, to have the wires flash the news over all the country, so that the singing will be going on all at once.

—The Federal erand jury at Indianapolis is

going on all at once.

—The Federal grand jury at Indianapolis is again investigating election irregularities, and it now develops that some of the parties who escaped trial by reason of the quashing of the indictments by Judge Woods will be reindicted. Particular attention will be given to the importation of voters from Kentucky. A number of witnesses came up from Southern Indiana yesterday, and some of them testified that a number of negroes from Louisville voted in the border counties.

the border counties.

—William E. Woods, aged 24 years, a builder by trade, was found in a Chicago boarding-house suffering from smallpox. He came from Okiahoma a few days ago. He left Colorado Springs, with a number of friends. April 18, and reaches Okiahoma April 22. There were several cases of varioloid between April 25 and May 8 in Okiahoma, and he left that country on the latter date, arriving here May 7. Woods case is a mild one. He was removed to the smallpox hospital, the boarding-house was fumigated and the inmates were vaccinated.

migated and the inmates were vaccinated.

—Senator Scheffer's Drunkard Law went into effect in Minnesota yesterday. It provides that whoever becomes intoxicated by voluntarily drinking intoxicating liquors shall be deemed guilty of the crime of drunk-enness, and upon conviction thereof shall be punished as follows: For the first offense a fine of not less than \$10 nor more than \$40, or by imprisonment for not less than ten days nor more than \$6 days; second offense by imprisonment for not less than \$20 nor more than \$6 days, or by a fine of not less than \$20 nor more than \$50; for the third and all subsequent offenses imprisonment of not less than \$60 or more than \$9 days.

—It is stated on the authority of a director of

60 or more than 90 days.

—It is stated on the authority of a director of the Baltimore and Ohio Railroad Company, in order to correct any misapprehension which may exist as to the facts, that in the years 1883, 1884, 1885, 1886 and 1887, the net earnings of the company are shown by the figures of the expert who examined the company's accounts to have been 37,250,781, and that the dividends declared for those years amounted only to \$6,200,330, leaving a balance of net earning during those years of \$1,641,392 which was not paid out in dividends. It is, therefore, plain that the dividends which were paid in those years were rightfully paid out of the net profits.

—It is remerally understood in Ottawa that

rightfully paid out of the net profits.

—It is generally understood in Ottawa that J. H. Pope, Minister of Rasilways and Canals, will be succeeded by J. A. Chapleau, Secretary of State. Mr. Colby, M. P., will succeed Mr. Chapleau as Secretary of State. These appointments will cause great dissatisfaction throughout the county, as it is generally conceded that Colby received his appointment because of the service he rendered the Government last session by a powerful speech supporting the action of the administration on allowing the Jesuit Estate act. The Government is coming in for vigorous denunciation all over Ontario for its action in reference to this question, and Mr. Colby's appointment will simply add more fuel to the flames, which even now threatens the Government with defeat at the next general election.

SCRATCHED 28 • YEARS.

A Scaly, Itching Skin Disease With Endles Suffering Cured by Cuti-cura Remedies.

If I had known of the CUTICURA REMEDIES 28 years ago it would have saved me \$200 (two hundred dollars) and an immense amount of suffering. My disease (Psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, etc. I took . . . and . . Sarsaparillas over one year and a half, but no cure. I went to two or three doctors and no cure. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free from scales as a haby's. All I used of them was three boxes of CUTICURA, and three bottles of CUTICURA RESOLVENT and two cakes of CUTICURA ROAD. If you had been here and said you would have cured me for \$200 you would have had the money. I looked like the picture in your book of Psoriasis (picture number two "How to Cure Skin Diseases"), but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well. I scratched 28 years, and it got to be a kind of second nature to me. I thank you a thousand times. Anything more that you want to know write me, or any one who reads this may write to me and I will answer it. DENNIS DOWNING.

OF PITTSBURG, PA. For 10 Years. | For 20 Years. | For 25 Years, | For 40 Years.

Every man who is obliged to work for his living sisuald make a point to lay up money for that "rainy day" which we are all likely to encounter when least expected. Unquestionably the best way to provide for this emergeacy is to open an account with a good, live Savings Bank.

Accumulated money, thus cared for, is safe, is rapidly increasing, is always ready to use when needed, and is free from the many uncertainties and fatalities of life.

Strive at once to get together five dollars, or even one dollar, and make your first deposit. Then resolve to add to it as often as you can, even though the amount be small.

You will be surprised with the magic comfort and strength of this course. Nobody knows, without having tried it, how easy a thing it is, without being miserly or stingy, to save money, when ence an account with a bank has been opened.

A man then feels a new ambition and a constant desire to enlarge his deposit. It gives him pleasant lessous in frugality and economy, weans him from the habits of extravagance, and is the very best guard in the world against intemperance, dissipation and vice.

If you are not already a depositor, and have no special bank in view, permit us to suggest that you at once try a deposit with

THE PITTSBURG BANK FOR SAVINGS, No. 60 Fourth Ave., Pittsburg, Ps. To all who may thus favor us, we promise a courteous and accommodating treatment, and it shall be our endeavor to make our business relations, when once formed pleasant and of long continuance.
